Program Requirements

1. The property must be located in a Cascade Water Alliance Member service territory (see below).
2. The property must be a multi-family residential or commercial building (not a single-family residence).
3. The toilets to be replaced must use 3.5 gallons per flush or greater.
4. If applying for a rebate, toilets must be chosen from the approved toilet (see next page).
5. Old toilets must be properly disposed (not resold or given away).
6. An inspection will be performed before a rebate check is issued or after free toilets are installed.
7. Major remodel projects are **not** eligible.

Toilets Eligible for Rebates from the Cascade Toilet Replacement Program

If you are applying for free toilets, you will receive the Western Pottery Aris toilet. If you would like a different toilet, you may choose from the list below and receive a rebate of \$80 per toilet after the new toilets are installed. Only toilets on this list are eligible for rebates. Toilets on this list were selected based on the results of water use and performance testing. This list will be updated as more eligible toilets enter the market. Please note that pressure assisted toilets may be louder than other models.
