

Cascade Irrigation Efficiency

Rebate #2: New Irrigation Systems

Overview

For customers planning to install an in-ground irrigation system, Cascade Water Alliance is pleased to offer rebates up to \$375 to encourage homeowners and businesses to install Smart Controllers (clocks) or a \$100 rebate to install a rain sensor. A Smart Controller will allow you to match the watering needs of your lawn and garden to current weather conditions, minimize or eliminate watering when it rains and more easily maintain a healthy, attractive landscape. A well-tuned, efficient irrigation system can save thousands of gallons of water during the summer when drinking water supplies are in greatest demand.

Customers of Cascade members are eligible for any rebate or other conservation program offered by Cascade Water Alliance. Cascade members include: Bellevue, Covington Water District, Issaquah, Kirkland, Redmond, Sammamish Plateau Water and Sewer District, Skyway Water and Sewer District and Tukwila.

Eligibility

1. The account must be served by a member of Cascade Water Alliance.
2. The account must be in good standing.
3. The controller must be chosen from the Smart Water Application Technology (SWAT) list of products. For more information visit www.irrigation.org/smartwater/ia-tested.asp or call (425) 453-1810.

Instructions

1. Verify that you are a customer of a Cascade member.
2. Have your irrigation system installed by a licensed landscape or irrigation contractor. For more information on choosing a contractor visit www.cascadewater.org/con_rebates or call (425) 453-1810.
3. Mail, fax or email the completed application with appropriate signatures and copy of receipt of the installed product to the following address within 90 days of installation:
